## KEIRUNGA ART BUILD FUNDRAISER

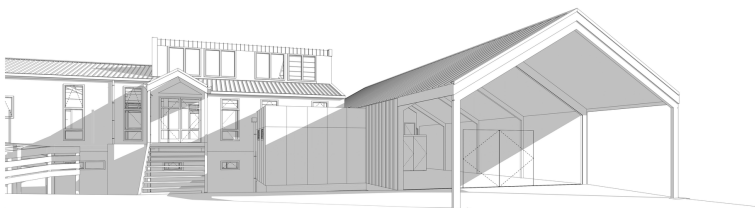

Since the disastrous fire in 2016 a committee has worked with professionals to develop concept plans for a \$750,000 Gallery and Workspace project.

The Keirunga Silent Bid Exhibition and Live Auction events are to raise awareness in order to elevate the profile of the Keirunga Creative Arts Venue and further the building of a new state of the art Gallery.

The Gallery will be an important and attractive asset for not only the region as a whole but as a destination for local residents and visitors to Hawke's Bay.

**A huge thank you to all artists who have generously donated their work. We would like you, our buying audience to support this event and acknowledge their contributions.**

**SUPPORT NEW ZEALAND ARTISTS!**
